

## WSAQM Meeting Statistics as at 31<sup>st</sup> December 2020

*The membership totals have been taken from our Area Meeting membership records. The figures for the number of adult and child attenders have been supplied by Local Meetings.*

<b>Meeting</b>	<b>Members</b>	<b>Adult Attenders</b>	<b>Children Under 16</b>
Bridgwater	14	7	0
Burnham on Sea	10	4	1
Ilminster	23	2	0
Minehead	15	10	0
Spiceland	27	17	4
Taunton	18	19	1
Wellington	21	11	9
Unattached	1	-	-
<b>Totals</b>	<b>129</b>	<b>70</b>	<b>14</b>

There has been a small increase in the number of Friends in membership this year; we now have 129 members, three more than in 2019. We have two new members; two members transferred their membership in from other Area Meetings and one Friend transferred their membership to another Area Meeting.

There has been a decrease in the number of adult attenders recorded this year, from 88 at the end of 2019 to 70 at the end of 2020. However, it has now come to light that the figures at the end of 2019 had been overstated, one Local Meeting having included Friends in membership among the number of attenders they reported for that year. The number of attenders for the Area Meeting at the end of 2018 was 73, which gives a more accurate figure for comparison, and would indicate a smaller drop.

The tabular statement for West Somerset Area Meeting was received at Friends House on 16<sup>th</sup> December 2020.
